

This safety data sheet was created pursuant to the requirements of:  
UK REACH Regulations (SI 2019/758 as amended)

**Supersedes date** 27-May-2021

**Revision date** 07-Apr-2026

**Revision Number** 1.04

## **SECTION 1: Identification of the substance/mixture and of the company/undertaking**

### **1.1. Product identifier**

|                                 |                                                                                                                                                                                            |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code(s)</b>          | 61051                                                                                                                                                                                      |
| <b>Safety data sheet number</b> | 61051                                                                                                                                                                                      |
| <b>Product Name</b>             | STEVIA REBAUDIANA,EXT                                                                                                                                                                      |
| <b>EC Number</b>                | 294-422-4                                                                                                                                                                                  |
| <b>CAS No</b>                   | 91722-21-3                                                                                                                                                                                 |
| <b>Synonyms</b>                 | ZOLESSE FLAVOUR, NSF 07, NSF 06, NSF 05, NSF 04, NSF 03, PURECIRCLE ALPHA 02, STEVIOL GLYCOSIDES ALPHA 02 PRE, PURE CIRCLE ALPHA GRANULATED, PSB-4067, NSF 02, STEVIOL GLYCOSIDES PSB 2112 |
| <b>Pure substance/mixture</b>   | Substance                                                                                                                                                                                  |

### **1.2. Relevant identified uses of the substance or mixture and uses advised against**

|                        |               |
|------------------------|---------------|
| <b>Recommended use</b> | Food industry |
|------------------------|---------------|

### **1.3. Details of the supplier of the safety data sheet**

#### **Supplier**

Univar Solutions UK Ltd  
Aquarius House  
6 Mid Point Business Park  
Bradford  
GBR

|---------------------------------------|-----------------------------------|
| <b>E-mail address</b>                 | SDS.EMEA@univarsolutions.com      |
| <b>Non-Emergency Telephone Number</b> | +44 1274 267300 / +44 1274 267306 |

### **1.4. Emergency telephone number**

|                            |                                |
|----------------------------|--------------------------------|
| <b>Emergency Telephone</b> | SGS - +32 (0)3 575 55 55 (24h) |
|----------------------------|--------------------------------|

## **SECTION 2: Hazards identification**

### **2.1. Classification of the substance or mixture**

Not classified

### **2.2. Label elements**

Not classified

**Hazard statements**

Not classified

**2.3. Other hazards**

No information available.

**SECTION 3: Composition/information on ingredients****3.1 Substances**

| Chemical name                    | Weight-%  | EC No (EU Index No) | UK REACH registration number | Classification according to GB CLP (SI 2020/1567 as amended) | Specific concentration limit (SCL) | M-Factor | M-Factor (long-term) |
|----------------------------------|-----------|---------------------|------------------------------|--------------------------------------------------------------|------------------------------------|----------|----------------------|
| STEVIA REBAUDIANA,EXT 91722-21-3 | 90 - 100% | 294-422-4           | -                            | Not classified                                               | -                                  | -        | -                    |

**Full text of H- and EUH-phrases: see section 16**

This product does not contain candidate substances of very high concern at a concentration  $\geq 0.1\%$  (UK REACH Article 59)

**SECTION 4: First aid measures****4.1. Description of first aid measures**

|                     |                                                                                                                                                                                                       |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Inhalation</b>   | Remove to fresh air. Rinse mouth thoroughly with water. Get medical attention if symptoms occur.                                                                                                      |
| <b>Eye contact</b>  | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if symptoms occur. |
| <b>Skin contact</b> | Wash skin with soap and water. In the case of skin irritation or allergic reactions see a doctor.                                                                                                     |
| <b>Ingestion</b>    | Rinse mouth thoroughly with water. Do not induce vomiting without medical advice. Get medical attention if symptoms occur.                                                                            |

**4.2. Most important symptoms and effects, both acute and delayed**

|             |                                     |
|-------------|-------------------------------------|
| <b>Eyes</b> | May cause temporary eye irritation. |
|-------------|-------------------------------------|

**4.3. Indication of any immediate medical attention and special treatment needed**

|                        |                        |
|------------------------|------------------------|
| <b>Note to doctors</b> | Treat symptomatically. |
|------------------------|------------------------|

## SECTION 5: Firefighting measures

### 5.1. Extinguishing media

**Suitable Extinguishing Media** Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Large Fire** CAUTION: Use of water spray when fighting fire may be inefficient.

**Unsuitable extinguishing media** Do not scatter spilled material with high pressure water streams.

### 5.2. Special hazards arising from the substance or mixture

**Specific hazards arising from the chemical** Dust can form an explosive mixture with air.

**Hazardous combustion products** Carbon oxides.

### 5.3. Advice for firefighters

**Special protective equipment and precautions for fire-fighters** Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use only non-sparking tools.

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

**Personal precautions** Wear suitable protective clothing. Avoid breathing dust. Avoid contact with eyes, skin and clothing. Ensure adequate ventilation.

**For emergency responders** Use personal protection recommended in Section 8.

### 6.2. Environmental precautions

**Environmental precautions** See Section 12 for additional Ecological Information.

### 6.3. Methods and material for containment and cleaning up

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Do not dry sweep dust. Wet dust with water before sweeping or use a vacuum to collect dust. Use non-sparking tools. Avoid generation of dust.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

### 6.4. Reference to other sections

**Reference to other sections** See section 8 for more information. See section 13 for more information.

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

**Advice on safe handling** Use personal protection recommended in Section 8. Avoid contact with eyes, skin and clothing. Eliminate all ignition sources if safe to do so. Take precautionary measures against static discharge. Use non-sparking tools. Ensure adequate ventilation.

**General hygiene considerations** Do not eat, drink or smoke when using the product. Wash face, hands and any exposed skin thoroughly after handling.

## **7.2. Conditions for safe storage, including any incompatibilities**

## **7.3. Specific end use(s)**

### **Specific use(s)**

See section 1 for more information.

**Risk Management Methods (RMM)** The information required is contained in this Safety Data Sheet.

## **SECTION 8: Exposure controls/personal protection**

### **8.1. Control parameters**

**Exposure Limits** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

**Biological occupational exposure limits** This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies.

**Derived No Effect Level (DNEL) - Workers** No information available

**Derived No Effect Level (DNEL) - General Public** No information available.

**Predicted No Effect Concentration (PNEC)** No information available.

### **8.2. Exposure controls**

**Engineering controls** Use explosion-proof ventilating equipment. Ensure adequate ventilation, especially in confined areas.

### **Personal protective equipment**

**Eye/face protection** Wear safety glasses with side shields (or goggles). According to EN 16321-1.

**Hand protection** Ensure that the breakthrough time of the glove material is not exceeded. Refer to glove supplier for information on breakthrough time for specific gloves. Gloves must conform to standard EN 374.

**Skin and body protection** Wear appropriate clothing to prevent reasonably probable skin contact.

**Respiratory protection** In case of inadequate ventilation wear respiratory protection. Dust filter P3 (for especially fine dust/powder).

**General hygiene considerations** Do not eat, drink or smoke when using the product. Wash face, hands and any exposed skin thoroughly after handling.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                 |                          |
|-----------------|--------------------------|
| Physical state  | Solid                    |
| Appearance      | Powder                   |
| Colour          | White/off-white          |
| Odour           | Characteristic.          |
| Odour threshold | No information available |

| <u>Property</u>                         | <u>Values</u>            | <u>Remarks • Method</u>   |
|-----------------------------------------|--------------------------|---------------------------|
| Melting point / freezing point          |                          | No information available. |
| Initial boiling point and boiling range |                          | No information available. |
| Flammability                            |                          | No information available. |
| Flammability Limit in Air               |                          | No information available. |
| Upper flammability or explosive limits  |                          |                           |
| Lower flammability or explosive limits  |                          |                           |
| Flash point                             |                          | No information available. |
| Autoignition temperature                |                          | No information available. |
| Decomposition temperature               |                          | No information available. |
| pH                                      |                          | No information available. |
| pH (as aqueous solution)                |                          | No information available. |
| Kinematic viscosity                     |                          | No information available. |
| Dynamic viscosity                       |                          | No information available. |
| Water solubility                        | slightly soluble         |                           |
| Solubility(ies)                         |                          | No information available. |
| Partition coefficient                   |                          | No information available. |
| Vapour pressure                         |                          | No information available. |
| Relative density                        |                          | No information available. |
| Bulk density                            |                          | No information available. |
| Liquid Density                          | No information available | No information available  |
| Relative vapour density                 |                          | No information available. |
| Particle characteristics                |                          | No information available. |
| Particle Size                           | No information available |                           |
| Particle Size Distribution              | No information available |                           |
| Explosive properties                    | No information available |                           |
| Oxidising properties                    | No information available |                           |

### 9.2. Other information

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

|            |                                              |
|------------|----------------------------------------------|
| Reactivity | Stable under recommended storage conditions. |
|------------|----------------------------------------------|

### 10.2. Chemical stability

|           |                                 |
|-----------|---------------------------------|
| Stability | Stable under normal conditions. |
|-----------|---------------------------------|

### Explosion data

|                                  |       |
|----------------------------------|-------|
| Sensitivity to mechanical impact | None. |
| Sensitivity to static discharge  | None. |

### 10.3. Possibility of hazardous reactions

|                                    |                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------|
| Possibility of hazardous reactions | Hazardous polymerisation does not occur. Dust can form an explosive mixture with air. |
|------------------------------------|---------------------------------------------------------------------------------------|

**10.4. Conditions to avoid**

**Conditions to avoid** Keep away from open flames, hot surfaces and sources of ignition. static discharge (electrostatic discharge).

**10.5. Incompatible materials**

**Incompatible materials** None known based on information supplied.

**10.6. Hazardous decomposition products**

**Hazardous decomposition products** Carbon oxides.

**SECTION 11: Toxicological information****11.1. Information on toxicological effects****Information on likely routes of exposure****Product Information**

|                     |                                     |
|---------------------|-------------------------------------|
| <b>Inhalation</b>   | May cause irritation.               |
| <b>Eye contact</b>  | May cause temporary eye irritation. |
| <b>Skin contact</b> | May cause slight irritation.        |
| <b>Ingestion</b>    | Gastrointestinal discomfort.        |

**Symptoms related to the physical, chemical and toxicological characteristics**

**Symptoms** No information available.

**Acute toxicity****Numerical measures of toxicity**

No information available

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

**Skin corrosion/irritation** No information available.

**Serious eye damage/eye irritation** No information available.

**Respiratory or skin sensitisation** No information available.

**Germ cell mutagenicity** No information available.

**Carcinogenicity** No information available.

Reproductive toxicity No information available.

STOT - single exposure No information available.

STOT - repeated exposure No information available.

Aspiration hazard No information available.

Other adverse effects No information available.

## SECTION 12: Ecological information

### 12.1. Toxicity

Ecotoxicity Not considered to be harmful to aquatic life.

### 12.2. Persistence and degradability

Persistence and degradability Readily biodegradable.

### 12.3. Bioaccumulative potential

Bioaccumulation Not likely to bioaccumulate.

### 12.4. Mobility in soil

Mobility in soil slightly soluble.

### 12.5. Results of PBT and vPvB assessment

PBT and vPvB assessment The product does not contain any substance(s) classified as PBT or vPvB.

### 12.6. Other adverse effects

No information available.

## SECTION 13: Disposal considerations

### 13.1. Waste treatment methods

Waste from residues/unused products Waste to be treated as controlled waste. Disposal to licensed waste disposal site in accordance with local Waste Disposal Authority.

Contaminated packaging Do not reuse empty containers.

## SECTION 14: Transport information

### IATA

|                                   |                |
|-----------------------------------|----------------|
| 14.1 UN number or ID number       | Not regulated  |
| 14.2 UN proper shipping name      | Not regulated  |
| 14.3 Transport hazard class(es)   | Not regulated  |
| 14.4 Packing group                | Not regulated  |
| 14.5 Environmental hazards        | Not applicable |
| 14.6 Special precautions for user |                |
| Special Provisions                | None           |

**IMDG**

|                                                              |                          |
|--------------------------------------------------------------|--------------------------|
| 14.1 UN number or ID number                                  | Not regulated            |

**SECTION 15: Regulatory information****15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture****National regulations****Authorisations and/or restrictions on use:**

This product does not contain substances subject to authorisation (UK REACH - Annex XIV).

This product does not contain substances subject to restriction (UK REACH - Annex XVII).

**Persistent Organic Pollutants**

Not applicable

**Export Notification requirements**

Not applicable

**Named dangerous substances per COMAH Regulations 2015 (as amended)**

Not applicable

**The Ozone-Depleting Substances Regulations 2015**

Not applicable

**The Biocidal Products Regulations 2001 (as amended)**

Not applicable

**The Water Environment (Water Framework Directive) (England and Wales) Regulations 2017 (as amended)**

Not applicable

**Poisons Act 1972 (Explosive Precursors) Regulations (as Amended)**

Not applicable

**International Inventories**

**Classification procedure**

|                                                                 |                    |
|-----------------------------------------------------------------|--------------------|
| Classification according to Regulation (EC) No. 1272/2008 [CLP] | Method Used        |
| Acute oral toxicity                                             | Calculation method |
| Acute dermal toxicity                                           | Calculation method |
| Acute inhalation toxicity - gas                                 | Calculation method |
| Acute inhalation toxicity - vapour                              | Calculation method |
| Acute inhalation toxicity - dust/mist                           | Calculation method |
| Skin corrosion/irritation                                       | Calculation method |
| Serious eye damage/eye irritation                               | Calculation method |
| Respiratory sensitisation                                       | Calculation method |

|                          |                    |
|--------------------------|--------------------|
| Skin sensitisation       | Calculation method |
| Mutagenicity             | Calculation method |
| Carcinogenicity          | Calculation method |
| Reproductive toxicity    | Calculation method |
| STOT - single exposure   | Calculation method |
| STOT - repeated exposure | Calculation method |
| Acute aquatic toxicity   | Calculation method |
| Chronic aquatic toxicity | Calculation method |
| Aspiration hazard        | Calculation method |
| Ozone                    | Calculation method |
